Hi Patrick-

I have no problem being on call for the [REDACTED] case scheduled for tomorrow. I do have a doctor's appointment tomorrow at 9am, but it shouldn't last too long. If you do end up needing me, you can try calling me at work (413-545-2601) or on my cell ([REDACTED]). Thanks.

Patrick-

I faxed you the discovery packet this morning. Sorry it took so long, but I was waiting for the Boston lab to get me the drug receipt, and our fax machine was acting up yesterday afternoon. I realized that I forgot to include my CV, so I've attached it to this email. If you have any questions, please let me know. Thanks.
